

Welcome to Ballymun – Head Quarters of St Michael's House

St Michael's House COVID-19 Vaccination Hub

You will access the SMH COVID-19 vaccination hub from left hand side of the building

When you are in your bus / car you will have your temperature checked before entering the building & you may well see some familiar faces

You will need to wear a mask and use hand gel when entering the building – & remember your safe distancing too!

You will be taken to the pre vaccination registration area –we will check your forms with you and your carer

You will then be taken down the corridor to the vaccination room & there will be a chair outside if you need to wait a few minutes – your carer will remain with you

Look out still for the familiar faces!

THERAPY ROOM

Vaccination Room 1

After a short wait you will go into the vaccination room where there will a couple of nurses wearing masks who will ask a you few questions & then give you your vaccination – your carer will stay with you

Afterwards you will go through reception to the coffee area for a short rest

You will stay here with your carer for about 15 mins – there will be other people in the room with you

After about 15 minutes you will then leave the vaccination hub and return home with your carer

Remember to continue with your hand hygiene, wear your face mask and socially distance!
